

# Demographers Respond to Rising Pronatalism

## WEBINAR

**Wednesday, October 30th, 2024, 11:30am-12:30pm MT**

Demographic science does not support catastrophizing about low birth rates and population “collapse.” In this brief webinar geared toward a wide audience, including journalists and experts, three population scholars will place rising pronatalism into a scientific perspective.

Amanda Jean  
Stevenson, Ph.D.

Leslie Root, Ph.D.

Leigh Senderowicz,  
Sc.D.
