Dorothy S. Thomas Award (Population Association of America), 2011  
Social Gerontology Theory Award (Gerontological Society of America), 2010  
Winner, Research on Aging Showcase, 2009  
Winner, Population, Family & Reproductive Health Research Symposium, 2009  
Marcia Pines Award in Bioethics and Public Health, 2005  
*Phi Beta Kappa*, 2001

GRANTS AND  
FELLOWSHIPS  
(EXTRAMURAL)

NIA 3 R01 AG061080-03 (PIs: Engelman/Malecki)  
Researching Institutional and Psychosocial Sources of Resiliency to Accelerated  
Biological Aging (REWARD Supplement for Dr. Joseph Clark)  
\$230,770 (9/1/2021-8/31/2023)

NIA R01 AG061080 (PIs: Malecki/Engelman)  
Researching Epigenetics, Weathering, Aging & Residential Disadvantage  
(REWARD). \$2,498,540 (10/01/2019 - 09/30/2024)

NIA 5T32 AG000129-30 (PI: Engelman, since September 2019)  
Population, Life Course, and Aging. \$1,213,855 (5/1/2017-4/30/23)

NIA R01 AG062765 (PIs: Fletcher/Palloni; Role: Investigator)  
The Importance of Place of Birth in Determining Old Age Cognitive Health.  
\$1,874,890 (9/1/2019-8/31/2024)

NIA 3R01AG060109 (PIs: Fletcher/Palloni; Role: Investigator)  
Understanding the Importance of Place of Birth on Alzheimer's Disease Out-  
comes in the US and UK. \$186,622 (9/1/2019-8/31/2020)

NIA R01 AG060109 (PIs: Fletcher/Palloni; Role: Investigator)  
The Importance of Place in Determining Health and Mortality at Older Ages.  
\$2,335,959 (9/1/2018-8/31/2023)

NIA 1 R24 AG 045061 (PI: Engelman, subcontract from Network on Life Course  
Health Dynamics and Disparities in 21st Century America)  
Work Histories and Racial/Ethnic Disparities in Multimorbidity Trajectories.  
\$11,666 (07/01/2015-06/30-2016)

Steven H. Sandell grant, Boston College Center for Retirement Research and  
the Social Security Administration. (PI: Engelman)  
The Role of Job Histories and Work Characteristics in Differentiating Trajecto-  
ries of Health in Later Life. \$44,936. (06/01/2012-06/30/2014)

RAND Summer Institute on Aging, Full Scholarship (2009)

Gerontological Society of America Student Travel Award (2009)

AARP Scholar (\$10,000) (2005-2006)

GRANTS AND  
FELLOWSHIPS  
(INTRAMURAL)

“Diversity, Inclusion, and Aging in the Midwest: Opportunities for New Data  
(DIAMOND) with the Wisconsin Longitudinal Study,” PI, University of Wis-  
consin Fall Competition 7/1/22-6/30/23 \$51,942

“Retirement in the Context of Intergenerational Transfers.” Co-PI (with Won-  
tak Joo), Social Security Administration Retirement and Disability Research

Consortium (UW Madison Center for Financial Security). 10/1/2020-9/30/2021, \$57,152

“Understanding the long-term relationship between Community Health and Voter Turnout in the Midwest,” PI, Center for Demography of Health and Aging Pilot Grant, 7/1/2019 - 6/30/20, \$45,000

“The Social Epigenomics of Health Disparities: Understanding Multiple Dimensions of Disadvantage”, PI, University of Wisconsin Graduate Division, 7/1/2018 - 6/30/19, \$37,399

“Who enjoys an immigrant health advantage?”, PI, Center for Demography of Health and Aging Pilot Grant, 7/1/2017 - 6/30/18, \$39,270

“Why does the immigrant health advantage disappear?”, PI, University of Wisconsin Graduate Division, 7/1/2017 - 6/30/18, \$27,000

“The immigrant health advantage over the life course,” PI, Center for Demography of Health and Aging Pilot Grant, 1/1/17 - 6/30/17. \$19,412.

“Health Disparities at Older Ages: The Impact of Demographic Characteristics and Employment Histories on Functional Limitation Trajectories”, PI, University of Wisconsin Graduate Division, 7/1/2016 - 6/30/17, \$44,077

Vilas Life Cycle Award, University of Wisconsin-Madison. PI, 1/1/2016-6/30/17, \$37,824.

Robert Wood Johnson Foundation Health & Society Scholars program Course Development Grant: Social Issues in Aging (\$5,000), UW-Madison 2015.

“Modeling Health Trajectories” (\$30,000), NORC/University of Chicago, 2012.

Sommer Scholar (full tuition and stipend), Johns Hopkins, 2006–2010

Carl Swan Shultz Endowment Fellowship (\$6,000), Johns Hopkins, 2008

- 2019 Changes in Social Networks After Retirement: Comparison of the United States and European Countries. Population Association of America, Austin, TX.
- 2018 Health Trajectories and Lifespan Variation. Panelist in ASA Section on Aging and the Life Course invited session, "Inequality Across the Life Course: 9 Experts Discuss Current Issues & Debates." American Sociological Association, Philadelphia, PA.
- 2018 The Immigrant Health Differential in the Context of Social Inequalities: The Case of Diabetes. Population Association of America, Denver, CO.
- 2017 Health is a punctuated equilibrium: Stability, selection, and the supposition of gradualism in health trajectories. Population Association of America, Chicago, IL.

- 2016 Health disparities at older ages: How race, gender, and employment history influence the development of functional limitations. Population Association of America, Washington, DC.
- 2016 Origins and work disability: A comparison of native and foreign-born Americans. Population Association of America, Washington, DC.
- 2015 Do Occupational Exposures Differentiate Trajectories of Health in Later Life? Presidential Symposium, Gerontological Society of America, Orlando, FL. (*By Invitation*)
- 2015 The role of work characteristics in differentiating trajectories of health in later life. Population Association of America, San Diego, CA.
- 2015 Life Expectancy among U.S.-Born and Foreign-Born Older Adults: Estimates from Social Security and Medicare Enrollment Data. (With Neil Mehta, Irma Elo, Diane Lauderdale, and Bert Kestenbaum.) Population Association of America, San Diego, CA.
- 2014 The role of job histories and work characteristics in differentiating trajectories of physical and mental health in later life. Gerontological Society of America, Washington, DC.
- 2013 Death, disparities, and differentiation: Variation as a theme in the study of aging populations. American Sociological Association, New York, NY.
- 2012 The quiescent phase in human mortality: What happens between childhood and senescence?
- Population Association of America, San Francisco, CA.
  - European Population Conference, Stockholm, Sweden.
  - Gerontological Society of America, San Diego, CA.
- 2012 Life Expectancy in the U.S.: International and Domestic Comparisons by Ages and Causes of Death. Population Association of America, San Francisco, CA (with V. Canudas-Romo).
- 2011 Variation as a theme in the study of aging populations. University of Maryland Gerontology Program, Baltimore, MD.
- 2011 Why do mortality variability trends for the young and old diverge? A perturbation analysis. Poster, Population Association of America, Washington, DC.
- 2011 A tale of two frailties: Combining statistical and clinical concepts of vulnerability to understand trajectories of aging and health. Johns Hopkins Center on Aging and Health, Baltimore, MD.
- 2010 Frailty in transition: Variation and vulnerability during mortality declines. European Population Conference, Vienna, Austria.
- 2010 Returns on lifetime investments in children. American Sociological Association, Atlanta, GA (with S. Cunningham, K. Yount, and E. Agree).

- 2010 Parity and parents' health in later-life: The gendered case of Ismailia, Egypt. Population Association of America, Dallas, TX.
- 2010 Variation & vulnerability: Unobserved heterogeneity during mortality transitions. Poster, Population Association of America, Dallas, TX.
- 2010 The impact of disparities on the age trajectory of mortality. German Society for Demography, Rostock, Germany (with J. Vaupel and Z. Zhang).
- 2009 Variation & vulnerability: Unobserved heterogeneity during mortality transitions. Johns Hopkins Center on Aging and Health, Baltimore, MD.
- 2009 Propositional density and cognitive function in later life: Findings from the Precursors Study. Gerontological Society of America, Atlanta, GA.
- 2009 Life expectancies and record values. International Union for the Scientific Study of Population, Marrakech, Morocco (with V. Canudas-Romo).
- 2009 Gender, Generation, and Transfers in Egypt. UNFPA and Doha Institute for Family Studies, Seminar on Family Support and Population Ageing, Doha, Qatar (with K. Yount, E. Agree, S. Cunningham, and M. Sinunu).
- 2009 The impact of disparities on the age trajectory of mortality. Population Association of America, Detroit, MI.
- 2009 Variation as a theme: Convergence and divergence in mortality transitions.
  - 5th Annual Population, Family and Reproductive Health Research Symposium, Baltimore, MD. (Winner, poster session)
  - Population Association of America, Detroit, MI.
  - Research on Aging Showcase, Johns Hopkins University. Baltimore, MD. (Winner, poster session)
- 2008 Parity, parenthood, peril and protection: The dynamics of childrearing and later-life disability in Ismailia, Egypt. 4th Annual PFRH Research Symposium. Johns Hopkins School of Public Health. Baltimore, MD.
- 2007 Looking forward and backward: Longitudinal analysis of parent-child proximity (with Y. Zhang and E. Agree). Gerontological Society of America, San Francisco.

RESEARCH AND  
PROFESSIONAL  
EXPERIENCE

**Health Management Strategies, Inc.**, Austin, Texas  
*Consultant and Technical Writer (2007–2011)*

**Johns Hopkins Bloomberg School of Public Health**, Baltimore, Maryland  
*Research Assistant (2006–2010)*

**Lumetra**, San Francisco, California  
*Clinical Systems Improvement Intern, Nursing Home Team (2005)*

**Joint Distribution Committee**, Istanbul, Turkey  
*Service Corps Fellow, Eldercare Planning and Development (2003–2004)*

**Harvard School of Public Health**, Boston, Massachusetts  
*Research Assistant, Department of Health and Social Behavior (2001–2003)*  
*Russia Project Coordinator, Moscow, Russia (2002)*

TEACHING  
EXPERIENCE

**University of Wisconsin-Madison**

- Soc 170: Population Problems
- Soc 575: Sociology of Aging and the Life Course
- Soc 663: Population and Society
- Soc 971: Graduate Seminar in Population & Society (I & II)
- Soc 995: Demography Graduate Training Seminar

**University of Chicago**

- Demographic Methods: Winter 2012, 2013
- Social Science Inquiry: Spring 2012, 2013
- Statistical Methods of Research II: Spring 2013

**Johns Hopkins Bloomberg School of Public Health**

*Invited Guest Lecturer*

- Life Table Methods (Prof. Vladimir Canudas-Romo), 2009 and 2010
- Dynamics of Population Aging (Prof. Emily Agree), 2008

*Teaching Assistant*

- Statistical Methods in Public Health IV (Prof. James Tonascia), 2010
- Survival Analysis (Prof. Mei-Cheng Wang), 2008 and 2010
- Population Methods and Measures (Prof. Stan Becker), 2007
- Fundamentals of Life Tables (Prof. Stan Becker), 2007
- Demographic Methods in Public Health (Prof. Emily Agree), 2006

*Discussion Leader*

- Research Ethics (Prof. Nancy Kass), 2007 and 2008

UNIVERSITY  
SERVICE

**University of Wisconsin-Madison**

- Director of Graduate Training and Executive Committee member, Center for Demography of Health and Aging (2015-)
- Black, Indigenous, and Person of Color (BIPOC) Recruitment and Retention Committee (2018-)
- Assistant Professor Review Committee (2021)
- Sociology Colloquium Committee (2018-2021)
- Faculty Mentor, MRRC & Chancellor's Scholars Program (2016-)
- Sociology web committee (2014-2019)
- Sociology Newsletter Committee (2018-2019)
- Sociology Teaching Assistant awards committee (2017-18)
- Dept. of Sociology graduate program committee (2014-6)
- Dept. of Sociology undergraduate awards committee (2014-6)
- Dept. of Sociology social committee (2013-14)

**University of Chicago**

- Graduate Admissions Committee, Winter 2013
- Organizer, Demography Workshop, Autumn 2012
- Social Sciences Dissertation Fellowships Selection Committee, 2012

- Department Chair selection committee, 2012
- Placement committee, 2011-2013
- Preliminary Exam committee, 2011-2012
- Aims of Education discussion leader, fall 2011, 2012

**Johns Hopkins Bloomberg School of Public Health**

- Schoolwide Committee on Academic Standards (2009-10)
- Departmental Admissions Committee (2008-10)
- Departmental Committee on Academic Standards (2007-10)
- Departmental Self-Study – Research Workgroup (2008-9)
- JHSPH Committee on Strategic Planning, Education section (2007-8)
- Founder, **Gerontology Interest Group**, (2007-10)
- Founding Member, **Health and the City** (2007-9).
- Elected Member, Student Assembly (2007-8)

PROFESSIONAL  
SERVICE
