

Background Information

Tiffany L. Green
Department of Population Health Sciences
Department of Obstetrics and Gynecology
WARF Building, Room 789
610 Walnut Street
Madison, WI 53726
Office: (608) 265-5242
Cell: (608) 658-9758

Formal Education

Economics, B.A.
Florida A&M University, May 2001

Economics, Ph.D.
University of North Carolina at Chapel Hill, December 2007
Dissertation topic: "The Effect of Maternal Health Inputs on the Incidence of Pediatric Asthma Diagnosis"
Academic Fields: Health Economics and Development Economics

Current Positions

Associate Professor
Department of Population Health Sciences
Department of Obstetrics and Gynecology
University of Wisconsin-Madison
June 2023-present

Assistant Professor
Department of Population Health Sciences
Department of Obstetrics and Gynecology
University of Wisconsin-Madison
November 2019-June 2023

Affiliate Faculty
LaFollette School of Public Affairs
University of Wisconsin-Madison
August 2020-present

Past Positions

Assistant Professor
Department of Health Behavior and Policy
Virginia Commonwealth University
September 2011-November 2019

Program Coordinator
Research and Education Training Core
NIMHD Comprehensive Center of Excellence

VCU Center on Health Disparities
May 2012-December 2017

Postdoctoral Fellow
Health Disparities Research Scholars Program
Department of Obstetrics and Gynecology
University of Wisconsin-Madison
September 2009-August 2011

Postdoctoral Fellow
Robert Wood Johnson Health and Society Scholars Program
Department of Population Health Sciences
University of Wisconsin-Madison
September 2007-August 2009

Honors and Awards

UW-Madison Outstanding Woman of Color Award (2023)

Chosen by Cell Mentor as one of 1,000 Inspiring Black Scientists in America (2020)

Labelle Lectureship in Health Services Research, McMaster University (2020)

Temple Center for Public Health Law Research (CPHLR) Fellow (2020-2024)

Office of the Governor of Virginia Maggie Award, Future Female Innovator (Mentor) (2019)

Honored by Association for Pakistani Physicians of North America Virginia Chapter for contributions to Maternal and Child Health Research (2015)

Professional Society Memberships

Society of Family Planning

Invited Research Presentations

Local/UW

University of Wisconsin-Madison

UW Women’s Health and Health Equity Research Lecture & Symposium

October 2023

Evaluating the Impacts of Wisconsin’s Birth Cost Recovery Policy on the Health and Wellbeing of Black Families: A Community-Centered Approach

Wisconsin Department of Health Services

Women’s History Month Lunch and Learn

March 2022

The Impacts of Medicaid on Women and Children’s Health and Wellbeing

University of Wisconsin-Madison

Keynote Address, 2019 UW Women’s Health and Health Equity Research Lecture & Symposium

October 2019

Saving Black Women and Babies, What do the Data Tell Us?

Regional

Wisconsin Legislative Children’s Caucus

March 2020

Black Maternal and Child Health Disparities: The Role of Policy in Narrowing the Gaps
Expert Testimony, Session on Maternal and Infant Mortality in Wisconsin

Davidson College

Faculty Seminar

October 2014

Medicaid Policy, Prenatal Care and Early Life Health among the Children of Immigrant Women

Washington and Lee University

March 2013

Faculty Seminar: The Impact of Workplace Smoking Bans on Infant Health

National

Pennsylvania State University

Population Research Institute

January 2023

Born on the Wrong Side of the Tracks: Exploring the Causal Effects of Segregation on Infant Health

University of Pennsylvania

Center for Health Incentives & Behavioral Economics

March 2022

The Impact of Income on Maternal Health Behaviors and Outcomes: Evidence from a Natural Experiment

Dartmouth College

Geisel School of Medicine, Department of Psychiatry

February 2022

Racial/Ethnic Disparities in Birthing Parents' Mental Health: Does Structural Racism Play a Role?

American College of Obstetrics and Gynecology

District VI Winter DEI Journal Club

December 2021

Paper Discussion: Green, T., Zapata, J., Brown, H. and Hagiwara, N. (2021). Rethinking bias to achieve maternal health equity: changing organizations, not just individuals

Duke University

Sanford Center for Child and Family Policy

November 2021

Income Gains, Pregnancy Related Health, and Birth Outcomes: Evidence from the Marcellus Shale Economic Boom

American Sociological Association

Annual Meeting, 2021

August 2021

Invited Panel Session, Reproductive Access, Autonomy, and Justice

University at Buffalo (State University of New York)

Department of Epidemiology and Environmental Health Seminar Series

April 2021

Does Income Matter for Birth Outcomes? Lesson from the Marcellus Shale Economic Boom in Pennsylvania

Macalester College

Department of Economics Research Seminar Series

April 2021

The Causal Impacts of Income on Maternal and Child Health: Quasi-Experimental Evidence from Pennsylvania

University of Minnesota

Minnesota Population Center Demography and Aging Seminar
March 2021

The Impact of Income on Maternal Health Behaviors and Outcomes: Evidence from a Natural Experiment

American Public Health Association Women's Caucus

Critical Issues in Women's Health Webinar Series
July 2020

Unpacking Racial/Ethnic Disparities in Prenatal Care Access and Content

National Institutes of Health

NCMHD Course: Integrating Principles of Science, Practice, and Policy in Health Disparities Research

August 2013, June 2011 and September 2010

NIH Summit: The Science of Eliminating Health Disparities

December 2012

Panel: How is Racism Operating Here? Sample of Policy and Program Interventions

Oral Session: Black Like Me: How Within-Group Differences Correspond to Health and Mortality

International

McMaster University

9th Labelle Lecturer

Centre for Health Economics & Policy Analysis

November 2020

Saving Black Women and Babies: Leveraging Data and Community Engagement to Achieve Health Equity

University of the West Indies-Cave Hill

July 2009

Workshop Instructor, Caribbean Institute in Gender and Development: The Economics of Health Disparities in the Caribbean: A Gendered Approach

Peer-Reviewed Presentations

National

American Society of Health Economics (ASHEcon)

Annual Meeting, June 2023

Oral Session: "The Effects of Residential Segregation on Infant Health"

Awarded the best abstract in Maternal, Child, Sexual, and Reproductive Health

Population Association of American (PAA)

Annual Meeting, May 2021

Oral Session: "Structural Racism and Black-White Disparities in Reproduction in the US"

**School of Medicine
and Public Health**
UNIVERSITY OF WISCONSIN-MADISON

Population Association of American (PAA)

Annual Meeting, April 2019

Oral Session: “Disparities in Maternal Health Behaviors during Pregnancy: Estimating the Role of Income from a Natural Experiment”

Interdisciplinary Association for Population Health Sciences (IAPHS)

Annual Meeting, October 2017

Oral Session: “Parental Skin Color and Child Health among the Children of New Immigrants”

RWJF Public Health Law Research Program

Annual Meeting, January 2015

Oral Session: “Investigating the Impact of the Unborn Child Option and State Policies on Immigrant Women and Children”

Hispanic Issues Conference

Federal Reserve Bank, Atlanta, Georgia, November 2014

Oral Session: “Public Provision of Care for Expectant Immigrant Mothers”

Second Wave Research Conference

The Ohio State University, June 2012

Oral Session: “Where are You From? The Role of Parental Inputs and Ethnicity in the Production of Infant Health”

Population Association of American (PAA)

Annual Meeting, Washington DC, April 2011

Oral Session: “Beyond Black and White: Color and Mortality in Post Reconstruction Era North Carolina”

American Economic Association (AEA)

Annual Meeting, Atlanta, GA, January 2010

Oral Session: “The Temporal Relationships between Pediatric Asthma and Obesity”

Southern Economic Association (SEA)

Annual Meeting, Washington, DC, November 2008

Oral Session: “The Temporal Relationships between Pediatric Asthma and Obesity”

International

International Health Economics Association (IHEA)

Biannual Conference, Dublin, Ireland, July 2014

Oral Session: “Race, Immigrant Status, and Schooling: What the Infant Mortality Outcomes of Black Immigrants Can Tell Us About the Education/Health Gradient”. Role(s): Presenter and Session Chair

International Association for Feminist Economics (IAFFE)

Annual Meeting, Barcelona, Spain, June 2012

Oral Session: “Love, Marriage and the Black Immigrant Birth Weight Advantage: A Quantile Regression Approach”

Research Support

Current

Research Partners on the Expansion of the Survey of Women
Research grant from a private philanthropic foundation
Role: Co-Principal Investigator (40% FTE)/Site PI
Private Funder
Funding Period: 2023-2027
\$519,998 (Total Budget: \$8,800,000)

What Factors Shape People's Abortion Method Preferences?
Research grant from a private philanthropic foundation
Role: Principal Investigator (18% FTE)
Private Funder
Funding Period: 2023-2025
\$238,631

Evaluating the Impacts of Wisconsin's Birth Cost Recovery Policy on the Health and Wellbeing of Low-Income Black Birthing Parents: A Community-Centered Approach
Wisconsin Partnership Program (New Investigator Award)
Role: Principal Investigator (15% FTE, effort in kind)
Funding Period: 2022-2024
\$150,000

Scholar, Centennial Scholars Program
University of Wisconsin-Madison School of Medicine and Public Health
Funding Period: 2020-2023
\$210,000

Major Past Awards

Structural Racism and Black-White Disparities in Maternal and Child Health
RWJF County Health Rankings and Roadmaps Subgrant
Role: Co-Principal Investigator (9% FTE, effort in kind)
Funding Period: 2021-2023
\$37,439

Child Support Policy Research
Wisconsin Department of Children and Families
Role: Co-Investigator (Project Lead: Evaluating the Effects of Medicaid Birth Cost Recovery on Health and Child Welfare Outcomes, 16% FTE)
Funding Period: 2020-2023 (no-cost extension)
\$207,099

Changemakers in Family Planning Grant
Society of Family Planning
Role: Principal Investigator (12% FTE)
Funding Period: 2019-2021

\$60,000

Pre-UW

Impact of ACA Medicaid Expansions on Prenatal Care Utilization and Birth Outcomes

National Institute for Healthcare Management Foundation

Role: Principal Investigator (20% FTE, cost-sharing)

Funding Period: 2019-2020

\$57,932

Perceived Discrimination and Obesity/Overweight among Hispanic Immigrants

Massey Cancer Center Cancer Prevention and Control (CPC) Research Accelerator Monies (RAMs)

Award (internal)

Role: Co-Principal Investigator (10% FTE, effort in kind)

Funding Period: 2017-2019

\$3,000

VCU NIMHD Comprehensive Center of Excellence

2P60MD002256

National Institute of Minority Health Disparities,

Role: Program Coordinator, Training Core (12% FTE) (Jerome Strauss, Principal Investigator),

Funding Dates: May 2012-May 2016

\$6,137,817

Prenatal Insurance, Prenatal Care and Early Life Health among the Children of Black Immigrants

Foundation for Child Development Young Scholars Program

Role: Principal Investigator (20% FTE)

Funding Period-2012-2015

\$149,985

Pending Proposals

Examining payment and delivery model impacts on health equity using novel quasi-experimental causal inference methods

Agency for Healthcare Research and Quality (R01)

Role: Co-Investigator (10% FTE) (PI: Laura Hatfield), Funding Dates: 2022-2027

\$165,600 (subaward)

Educational Activities and Presentations

Courses Taught

Instructor, OBS & GYN 917: Race in American Obstetrics and Gynecology

Department of Obstetrics and Gynecology

University of Wisconsin School of Medicine and Public Health, Fall 2023 (N=13)

Instructor, OBS & GYN 917: Race in American Obstetrics and Gynecology

Department of Obstetrics and Gynecology

University of Wisconsin School of Medicine and Public Health, Spring 2023 (N=9)

Instructor, OBS & GYN 917: Race in American Obstetrics and Gynecology
Department of Obstetrics and Gynecology
University of Wisconsin School of Medicine and Public Health, Spring 2022 (N=15)

Co-Instructor, PHS 820: Graduate Research Seminar
Department of Population Health Sciences
University of Wisconsin School of Medicine and Public Health, Fall 2021 (N=12)

Co-Instructor, PHS 795: Principles of Population Health Sciences
Department of Population Health Sciences
University of Wisconsin School of Medicine and Public Health, Fall 2023 (N=11), Fall 2022 (N=13), Fall 2021 (N=10), Fall 2020 (N=11)

Pre-UW

Instructor, HCPR 720: Economics of Health Disparities
Department of Health Behavior and Policy
Virginia Commonwealth University School of Medicine, Fall 2013 (N=4), Spring 2015 (N=4), Spring 2016 (N=4), Spring 2017 (N=5), Spring 2019 (N=5)

Instructor, HCPR 699: Healthcare Policy and Research Seminar
Department of Health Behavior and Policy
Virginia Commonwealth University School of Medicine, Spring 2018 (N=7)

Guest Lectures (University of Wisconsin-Madison)

Nutr Sci 375: Introduction to Epidemiology
Racial Disparities and COVID-19, Spring 2022 (N=154), Spring 2021 (N=129)

Body in Balance Phase I Block
Structural Racism and COVID-19, Fall 2021 (Enduring Learning Object)
(N=175)

Postdoctoral Mentees

Laura Swan, PhD, MSW, 2021-present (Department of Population Health Sciences)
Hoa Vu, PhD, 2021-present (Department of Population Health Sciences)
Guadalupe Aguilera, PhD, 2021-present (Department of Population Health Sciences)
